

## Child Language Intervention Lab

# PARENT RESOURCES

To answer questions about research, developmental language disorder (DLD), or speech-language pathology services

## RESEARCH OPPORTUNITIES

Want to be involved in more research?

- Visit the CLIL's lab website
  - [www.finestackclil.com](http://www.finestackclil.com)
- Check out other labs in the department
  - <https://cla.umn.edu/slhs/research/centers-labs>
- Join the Institute of Child Development's Research participant pool
  - <https://icd.umn.edu/participant-pool>
- See page 2 for more opportunities

## DEVELOPMENTAL LANGUAGE DISORDER

Want to learn more about DLD?

- Raising Awareness of DLD
  - <https://radld.org/>
- DLD and Me
  - <https://dldandme.org/>
- Common signs of DLD
  - <https://www.intowordstherapy.com/blog/common-signs-of-developmental-language-disorder>
- Minnesota Speech-Language-Hearing Association Resources
  - <https://mnsha.org/resources-public/>

## SCHOOL-BASED SLP SERVICES

School SLP services

- If you have concerns about your child's speech and language, your first step is to contact an SLP through your child's school for an assessment

## OUTSIDE SLP SERVICES

Looking for SLP services outside of school? Some services may be covered through insurance.

- Paid services through UMN
  - <https://cla.umn.edu/davis-center/speech-language-pathology-services>

# ADDITIONAL RESEARCH OPPORTUNITIES

For children with Developmental Language Disorder (DLD)

| Affiliation                                   | Location            | Age       | Title with Link                                                             |
